Dear Parents/Caregivers,

With only two weeks to go to the end of Term 3, we still have a lot of events to keep us busy.

Mr Hevron has been kept busy training the students up for our **Faction Carnival** which will take place on **Monday, 9th September, starting at 10:30am**. It would be great to see all students in their Faction Colours—Griffin (Green) and Phoenix (Red). A simple crew neck or polo shirt from Big W, Kmart or Best & Less is all that is required so that we see a mass of Red and Green. A program per family will be sent on Connect today for you to see what events will be held. We cannot give exact times for each event. I'm looking forward to seeing another great parent turnout—and parents' teams for relays and tug 'o' war!

If you have some time to help set up the shelters on Monday morning—around 8:30am—that would be great.

There will not be a cake stall this year. Students will be able to have lunch with parents at our lunch break time.

Next Friday, 13th September is **RUOK? Day**— we are asking students and staff to wear something yellow!

Thursday, 19th September is our **Talk Like a Pirate Day**— and we would like to see everyone come in their favourite pirate outfit.

It will be a busy day with our **Dance Concert** to be held that night. Teachers will send home a costume design in the coming week so that it is not left to the last minute. Gates will open at 5:30pm and students will go to their classes to get ready for the performance. Our concert will start at 6:00pm and will include songs from our Choir, music pieces from our guitarists, art displays from all classes, work from Creative Schools and, of course, the dance routines. I'm looking forward to seeing the final production of this annual event.

Assembly—20th September—9:00am start—Our final assembly for this term acknowledges the sporting achievements of our students in the form of Certificates for Athletic Ability and Sportsmanship—which are selected by Mr Hevron following Physical Education and Sports activities.

Reporting Changes: You may have heard on the radio and TV that the requirements for end of semester reports will be changing. I will discuss these changes with our School Council at the next meeting on the 12th September and then send a Connect notice out to all parents to provide information on these changes.

Could I please remind everyone that the gates do not open until 8:25am, and student go to their classes to prepare for the day. We know that students love to be at school, but we cannot guarantee supervision prior to the gates being opened. Thanks.

With kind regards.....Stephanne Dann—stay warm and dry.

The Great Veggie Crunch—5th September

Room 4—Year 2/3/4—Term 3—Week 8

Wow! We simply cannot believe that its Week 8 of Term 3 already!

During Science, we were very excited to learn about different types of planes we could make with Mrs Waters! What a fabulous afternoon competition. Thanks, Mrs Waters..

The Year 2/3/4 class have been talking about our strengths and weaknesses. We have also looked at behaviours and why people feel bullied, feel the need to bully, how to respond to bullying and why bullying is not cool! In our class we talk a lot about how we feel, and we have a conversation with each other to help solve any issues that arise.

Mrs Baxter is very proud about our inclusive, encouraging behaviours in class and our motto is...

'Our words should build people up not bring them down'.

We have really enjoyed working with Miss Bovington on Fridays. We enjoyed reciting our Poem for Book Week at the Assembly in Week 6.

In class one of our daily work goals are to concentrate on being very consistent with our handwriting and work presentation. Ensuring we are always trying our best to continue towards developing beautiful handwriting skills.

In Maths each day we practise our times table with a fun game called Sheriff We enjoy mental call out and are amazing at Roman Numerals, Time placement on a clock, remembering to use BIMDAS (order of operations) and focusing on friend of 10, to help us make number connections with more difficult sums.

We are becoming more familiar with different graphs, Flip-Slide-Turn, 2D and 3D shapes, Symmetry and are continuing to improve our understanding of fractions during Maths.

This Term we would like to give, a special mention to the Class Captain, Angelina and Vice-Captain, Joshua, for helping count and tally Sports Faction Gold Cards each week and assisting Mrs Baxter and the class whenever necessary without being asked.

We appreciate your initiative Angelina and Joshua.

In Art we have completed our Tree House display piece that is now hanging up on the back wall in our class. Mrs Baxter is very impressed with Room 4's creativity and design ideas.

It is a great pleasure to teach the Year 2/3/4 class this Term, and the Year 2 group have risen to the challenge of working in a multi-year level class with ease. They are an amazing group of talented, engaging students who are enthusiastic to learn and improve.

Wishing everyone a fabulous couple of weeks leading up to the next Holidays!

Mrs Baxter, Mrs Bovington, Mrs Talam and Mrs Robinson
