*Dear Parents/Caregivers,*

With only 4 weeks to go, we start reflecting on how fast this year has gone by, and with still so many events and activities to come.

Thank you for your understanding about the change of our Swimming Lessons—this was beyond my control, but I’m pleased that they were able to do the double lessons so that all students still get their 10 lessons. I’m sure that they will be absolutely exhausted by the end of Week 8. I have sent two Connect notices home over the past week—please feel free to send me an email or pop into the office if you have any further questions or need further information.

### **Music Fest—Friday, 8th November.**

I wish to acknowledge the parents and, especially the students, who attended the Massed Choir performance last Friday. It was simply “awesome” and I was extremely proud of the 10 students who represented Belmont Primary School.

Platon, Joshua, Dendrel, Aiya, Egee, Angelina, Abhyu, Eva, Rihaan and Sipi, thank you sincerely for your dedication and attendance at this performance. You were all great ambassadors for Belmont PS, and I know that your parents were all equally proud of you. Well Done!

### **End of Year Events:**

**20th November—Australian Earth Science Incursion**—during Science Lessons with Mrs Waters and guest presenter.

**25th—29th November—Swimming Lessons.** Three sessions—Room 4 (9:00-11:05); Room 3 (10:35-12:45); Rooms 1 & 7 (12:25-2:35). Please note the requirements in the Connect notice sent home yesterday morning. Room 4 students need to be at school on time as the bus will not wait for late comers. Remember to name all items—it makes it easier to return them to their rightful owner!

**25th November—2025 Kindy Information Session—2:00pm.** This will now be held in the K/PP room.

**2nd December—Pixie Post** starts. Students can post cards to friends and staff members in the special Santa Letter Box. Cards will be delivered to classes after lunch each day

**2nd—6th December—Yr 6 Graduation Activities**—ending with the Graduation Assembly on the 6th December, followed by their Graduation Lunch.

**2nd December—“Mr & Mrs Revolting”** - Belmont City College presentation, PP-Yr 5. This was changed due to change of swimming lessons. Our session is now 12:45-2:15pm. A parent consent form will be sent home for permission to attend.

**4th December—SciTech Excursion—PP-Yr 5.** Mrs Waters will be sending a permission note home soon, and class teachers will send a note home seeking parent volunteers to assist on the day. This is another excursion which will be at no cost to parents (thanks, Mrs Waters)

The Year 6 students will be on one of their Graduation Week activities so have not been included in this excursion.

**9th December—Parent “Thank You”** morning tea—10:30-11:30am in the Meeting Room. All parents and care givers are welcome to attend to celebrate the end of another successful year. Please accept this as an open invitation to everyone.

**11th December—End-Of-Year Concert**—6:00-7:00pm. Our theme is “Christmas in Australia.” This is also our Awards Presentation night to acknowledge the students who have excelled in our values of “Learn, Enjoy, Develop.”

**12th December**—to celebrate the last day of the 2024 School Year, we will be having a Colour Fun Run from 1:30-2:30pm. Parents are welcome to join in the fun. Don’t forget to wear white!

We will then have a quick farewell “gathering” and the Year 6 students will ring the bell for the last time. Students have the opportunity to take part in two Christmas Colouring / Drawing Activities for Mrs Cassie Rowe and Mrs Zaneta Mascarenhas MP. Teachers will discuss these with their class and encourage students to take part—there are some great prizes and we have some fantastic artists here.

**ROLA**—Belmont was represented by Isabella, Saga, Joshua, Angelina, and Holly—led by Mrs Reiger, today at the Belmont Library. Congratulations, everyone, and a special mention to Joshua for his 1st place in his year level. Awesome job, everyone. Thanks, Mrs Reiger for your work in getting our students to this event. This is our last General Newsletter, with our Year Wrap-Up Newsletter going home at the end of the term. You will be able to see all things we have done over the year—no wonder we all end the year totally exhausted, but with a great feeling of pride.

I’m looking forward to seeing you all at our whole school events—especially our Christmas Concert and Awards’ Night. Stay safe and happy. Stephanie Dann.....Principal

**WIN A FAMILY PASS** and introduce your child to the exciting experience of live theatre!

*Theatre is key to the development of healthier, more creative and more communicative kids.*

Live theatre and ballet are powerful forms of storytelling that can help children explore the world around them. Introducing primary school students to these art forms can help them develop their creativity and imagination, as well as build essential communication skills.

John Curtin College of the Arts would like to give you the opportunity to win a family pass to view our end of year performance of *The Nutcracker*. We present two special matinees on the 4th and 5th December specially designed for primary school students and begin with an interactive presentation by the Director of Dance, introducing students to the theatre space, lighting and sound, and the workings of the design concepts and how the dancers tell the story to the audience.

Share this opportunity with family and friends. The winning tickets can be booked for any of the December shows. Can't wait to see you at the ballet.
