Dear Parents/Caregivers.....We made it!

Thank you to all parents and families who attended our End-of-Year Concert and Awards Presentation last night. I'm sure that you were all (once again) impressed with the performances of all classes. Congratulations to all our Award recipients—it is one of the hardest jobs as a teacher to nominate so few for these awards when we know how hard everyone has tried and the improvements we have seen over the year. I'm sure you saw these improvements and levels of achievements in your child's report—we are so proud of each and every one of our students and always look forward to seeing them continue to shine.

Year 6 Leavers—thank you to Mr Gough, Mrs De Lima and Mr Hevron for taking our Year 6 children on the many adventures over their Graduation Week activities. I have heard nothing but praise for the way these students conducted themselves at every venue. Mrs Reiger and myself joined the Year 6's for their Graduation lunch and I would have to endorse every positive I heard. Their manners were impeccable and the way they conducted themselves at a public eating venue was to be commended. Thank you to all the Year 6 students for your leadership and willingness to assist whenever asked—even at a short notice. I look forward to hearing of all your achievements as you continue your learning journey at High School.

At the Graduation Assembly, the Principal of Belmont City College, walked through the staff room and saw our 2024 Year Planner and was overwhelmed with all that we had done over the year. Thank you to Mrs Waters for organising so many free incursions over the year and for the fantastic organization in the school's excursion to SciTech as our whole school end-of-year event. Thanks, too, to the parents who assisted on the day and taking a small group around the venue. Without your support, we would not be able to do large group activities due to the student:adult ratio required. I'm looking forward to even more in school and out of school events next year—stay tuned!

Leaving Belmont PS—At this time of the year we have to say “goodbye” to some families who have moved to different suburbs, or even different states, and have had to leave our little school. At the last count, we had 30 children coming to our school from out of our boundaries—and some who have been travelling great distances just to finish the year off here. Thank you for being part of our little family and I wish you all the best in your new schools. I know that you will hold special memories of your time at Belmont, and we will certainly miss you all.

We have also had some staff changes—Mrs Rigby and Miss Lally have resigned; Mrs Baldwin has reduced her work time to 1 day a week; Miss Toh has picked up a teaching position at another school; Mrs Waters and Ms Fonty will both be taking some well-deserved leave for some of next year; and, Mr Gough will be going to another school for a year and then returning to us in 2026. Final staffing has yet to be completed, along with teacher/class allocation. Even in a small school, staffing is not that easy. Parents will be informed via Connect before the beginning of the 2025 school year.

I wish you all a Merry Christmas and an exciting New Year.

Stay safe, travel carefully and enjoy your times together as a family.

With kind regards—Stephanne Dann

Kind Thoughts

Remember, there's no such thing as a small act of kindness.

Every act creates a ripple with no logical end.

ROLA

The Read Out Loud Awards program was held this year on Thursday November 14, 2024 at the City of Belmont Library.

We had a wonderful turn out the calibre of students was so impressive. The program just keeps getting bigger and better every year!

Congratulations to our students who participated in the awards this year.
