Staff Return Term 2

Tuesday 29th April

Students return for
Term 2.

Dear Parents/Caregivers,

And another term speeding by, with only 4 weeks to our next break.

Our Swimming lessons were a great success with all students gaining a lot of skills over the two weeks—and some of our students achieving very high levels in their swimming grades. Well done, everyone!. We also received great compliments from the swimming teachers and the Swimming supervisor about the students' behaviour which is always something to be proud of!

Harmony Day: 21st March.

Thank you to Mrs Reiger and Ms Truman for organising and running our Harmony Day assembly with Room 4 students, and a big congratulations to all our Room 4 students for your presentation and speaking parts. Well done!

Harmony Day is celebrated next Friday—so come to school in your Orange Outfits or a National Costume to acknowledge your national country. I was really impressed last year with the variety of costumes seen, representing how multicultural we are at Belmont Primary School—yet, working together as one! Maybe some parents would like to show off their National dress as well!

NAPLAN:

Our Year 3 & 5 students have been completing their NAPLAN tests over the past three days—finishing with Numeracy today. I know that they have all done their best and worked hard to complete the tests in the given times. Thanks to Mrs Reiger for conducting these tests. As a staff, we use the results to focus on the areas of need across Numeracy and Literacy, and look at different strategies to assist our students reach the National Benchmarks.

Kaartdijin Program:

Mrs Fitzpatrick, Mrs Reiger and myself will be out of the school next Wednesday and Thursday to be involved in 2 days of training for a new program being implemented across all schools in Western Australia. We currently run on a program called "Integris" where Connect, attendance, behaviour, student records and finances are managed. We will be shifting over to a program called "Compass", under the umbrella of Kaartdijin, so you will see some changes start to happen in 2nd term. I will add some information each newsletter as we gain more understanding of the program and are using it on a daily basis.....stay tuned!

Final Assembly—Term 1.

This assembly will be held on the 4th April, with our new Councillors running the assembly. This assembly acknowledges students who display sound Citizenship Qualities of displaying excellent behaviour, helping others and taking an active role in their class and playgrounds. Following the assembly, we will have the classes open to parents to be able to see the work they are doing, and the progress they have already made during the term. All parents are welcome to attend this assembly, and join me for morning tea following class visits.

A bit of sudden change with the weather yesterday, but looking forward to some more beautiful autumn weather we have experienced over the past week. Stay happy...Stephanne Dann!
